## Education

### Hyper Island

Karlskrona, Sweden

- 2020-2022  
Diploma of Higher Vocational Education, Motion Design

### Törnströmska Gymnasiet

Karlskrona, Sweden

- 2017-2020  
3D, Animation and Programming - Upper Secondary Education

## Experience

### Istudios Visuals

- June 2022 - Present  
Junior VFX Artist  
Karlskrona, Sweden  
After having finished my internship, I was offered a position at the studio as a Junior VFX Artists. The tasks I work with are 3D, FX and compositing.

### Istudios Visuals

- January 2022 - June 2022  
3D Artist Intern  
Karlskrona, Sweden  
As part of my education at Hyper Island, I took an internship at Istudios Visuals. I had the opportunity to work with 3D, FX and compositing.

### Istudios Visuals

- July 2021 - August 2021  
3D Artist  
Karlskrona, Sweden  
Worked here during the summer. My tasks involved compositing for the Warhammer series "The Exodite" and doing 3D modeling and animation research for the company "Blue Air".

### Karlskrona Kommun

- January 2020 - March 2020  
3D Artist  
Karlskrona, Sweden  
Worked with architectural visualization with a team of five people to visualize future residential areas in Karlskrona. I worked with 3D animation and motion tracking.

### Karlskrona Kommun

- July 2019 - August 2019  
■ 3D Artist  
Karlskrona, Sweden  
Worked with architectural visualization with a team of five people to create a 3D representation of a retirement home has now been built in Karlskrona. My roles involved modeling and UV mapping.

### CinRender (Youtube Profile)

- October 2013 - Present  
3D Artist/Motion Designer (Hobby)  
My interest in 3D started in 2013 when I began making 3D animations for people online. These videos were uploaded on the Youtube channel "CinRender".

## Software
